## **PADI OPEN WATER DIVER BEGINNING COURSE:**

Spacious and comfortable facilities with highly experienced dive instructors in a 3-4 day course (depending on sea conditions and progress of the student).

Will be more than three passionate days discovering the method, signs and skills to feel completely safe in under the sea.  
We guarantee you a fascinating experience.

**molassub**

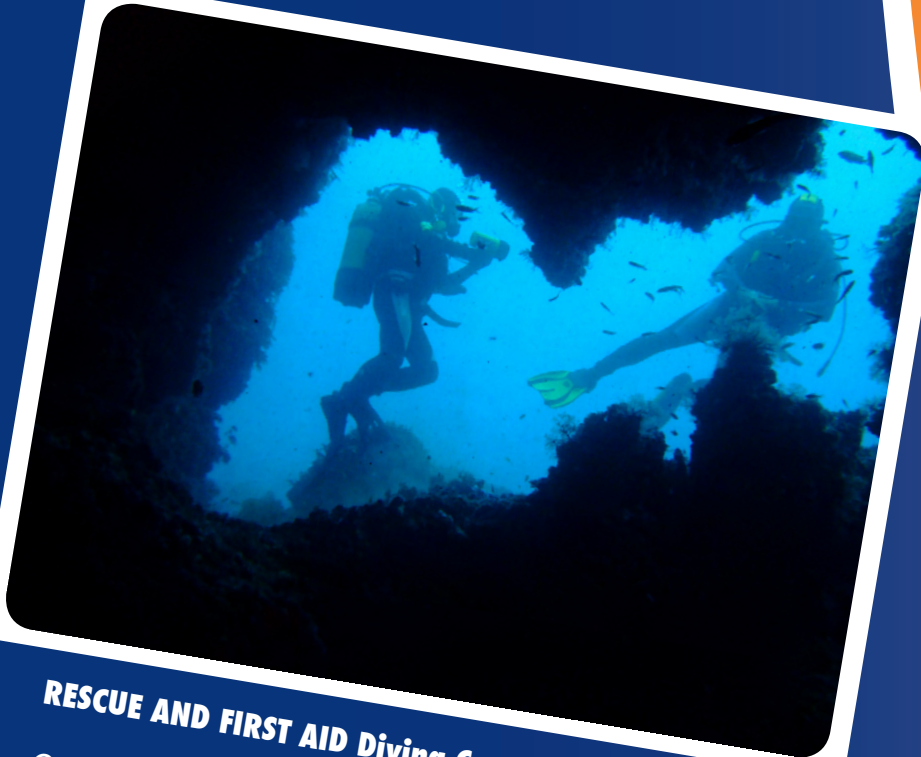

## **PADI Advanced Dive Course OPEN WATER DIVER:**

Improve your diving with only five immersions in the sea in just two days and night diving practices.

Dive into crystal clear waters every summer, discover our diving sites and improve your skills underwater.

## **RESCUE AND FIRST AID Diving Courses:**

Get ready to help others if necessary, being useful.

All you need to know about search and rescue maneuvers in open water.

**molassub**

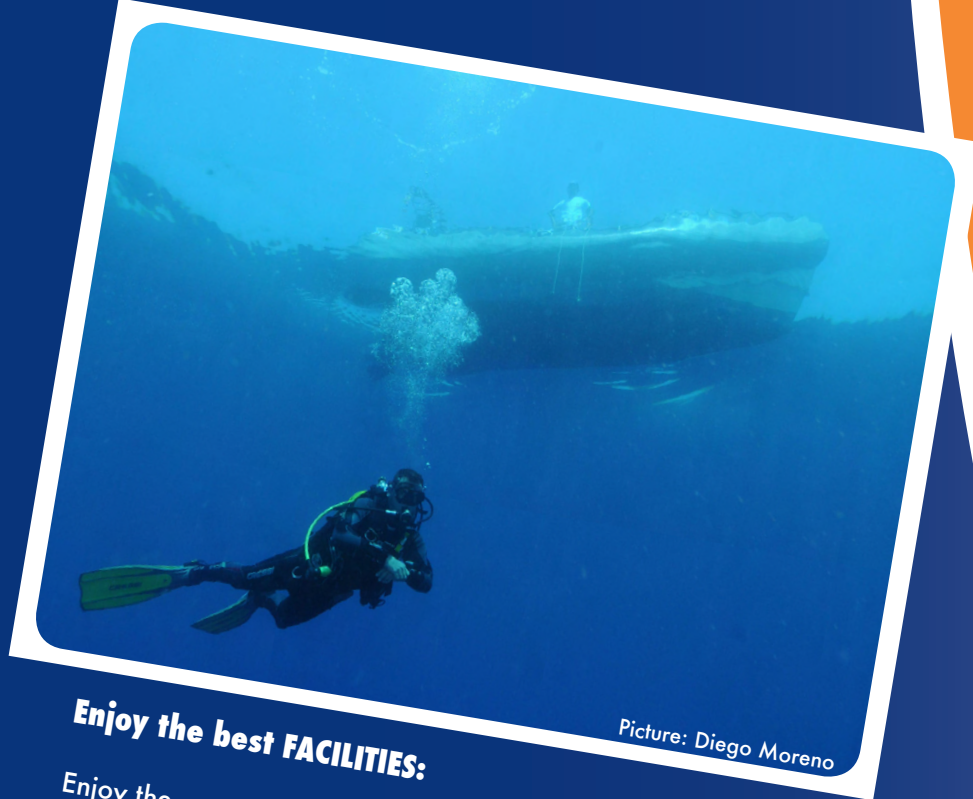

## **DIVEMASTER course:**

Become a professional with us.

Thanks to the dive leadership skills acquired you will be authorized help others to improve their scuba by try dives, accompany open water students during adventure dives, helping them to discover the sea riches and improve their diving skills. Feel like a **PROFESSIONAL DIVER**.
