

Your personal invitation...

QUALITY OF LIFE
SUN IN THE DEPTHS OF WINTER

The Chairman of The Almanzora Group requests the pleasure of your company

I would like to take this opportunity to extend a personal invitation to you to join us for a few days in Spain. Our Property Inspection trips are special; we make them that way.

No rushing around, no hard sell, no pressure at all... just time for you to take in all that the Almanzora region of South East Spain has to offer.

No brochure or web site can ever do justice to the magnificent scenery, peace and tranquility that make the Almanzora a place apart.

We can advise you of the best and most economic way to travel, provide you with details of flight schedules from all the major UK airports. We will meet you at the airport and introduce you to the Almanzora concepts as we transfer you to your self-catering accommodation, which we provide at the Desert Springs Resort or in the coastal village of Villaricos, the perfect place to receive a real Spanish welcome.

A convenient time will be arranged for you to view the resort and the properties that you are interested in and also for a tour of the Almanzora region so that you will know where to find the best beaches, bars and restaurants and its special places and secrets.

We recommend you plan a stay of four days, to allow some time to explore the surrounding area, take in the warmth of spirit and relax.

Apart from the property inspection and tour, your time is your own and you'll find much to do and enjoy.

We recommend that you hire a car, which we can arrange to have waiting at your accommodation. The roads are quiet and driving is easy, so it gives you the independence to look around on your own.

If you have the time and inclination, you are welcome to a complimentary round of golf at the incomparable Indiana Course at Desert Springs. To round off your visit, you will be invited to lunch or dine with us as our guests, at El Torrente or The Crocodile Club at Desert Springs or La Esperanza or Las Brisas Beach Bar in Villaricos, Almanzora Bays own special restaurants.

Finally we will return you back to the airport in plenty of time for your departure back to the UK.

Once you have experienced what the Almanzora region has to offer and you have had an opportunity to digest the information, you can enjoy the peace of mind that you will be able to make an informed decision about your dream home in Spain.

Yours sincerely

Stephen R Hitchens
